Allen & Overy would like to invite you to apply for a four-week summer vacation placement for June or July 2012.

We are keen to receive applications from penultimate or final year LLB students who are interested in joining our Summer Placement Scheme in Hong Kong in 2012, with a view to applying for a trainee solicitor position in Hong Kong in September 2014.

The interview takes the form of a preparation-free case study. We will assess your ability to work as part of a team, your leadership and presentation skills and entrepreneurial spirit and energy. Excellent academic results are essential and Chinese language skills are highly advantageous.

Our placements include experience in two seats in different departments, a full training programme, a series of challenging assessments, individual coaching from your trainer and a calendar packed with social and pro bono activities. We will also pay PCLL course fees and subsidise living expenses if you accept a training contract with us.

### *Application*

All interested students must visit the websites of:

- The Law Society of Hong Kong
- City University of Hong Kong
- The University of Hong Kong and
- The Chinese University of Hong Kong

to ensure the entry requirements for the PCLL courses can be satisfied (particularly the overseas law students). There are very strict conversion exemptions and examinations that you need to comply with before you can study the PCLL in Hong Kong.

To apply for the Summer Placement Scheme, please go to [www.allenoverly.com/careers](http://www.allenoverly.com/careers) then select “**Hong Kong**” and complete the “**Summer Vacation Placement 2012**” application form. For all **Australia-based students**, your **online application** should reach us **no later than 1 March 2012**. Please visit our website at [www.allenoverly.com](http://www.allenoverly.com) for more information.

The case study selection for Australia-based law students will be scheduled nearer the time of the 2012 UNSW Law Careers Fair and the Hong Kong Law Fair for Australian students held at the University of Sydney and Melbourne University Law School around March/April 2012. Please visit our website for further information.
